# SUBLIMATED UNIFORMS

## IMAGINATION IS THE ONLY LIMITATION

You can create any design and color combinations that you desire, including school colors and team logos! Our sublimated process allows for complete creativity in an online Live Design Session. Our designer will create one-of-a-kind performance uniforms that will catch them looking! Dye sublimation is a two-step process that allows the permanent dye of fabrics that maintain breathability and color without fading or bleeding. Sublimated Champion Double Dry® performance fabric is also much lighter than traditional twill designs.

### SOME OF THE PATTERNS AVAILABLE
